Notes: The provisions of the Provider Payment Act of 2010 exempt eligible hospitals from being required to pay shortfalls associated with CON indigent and charity care commitments while the Act is in force. Critical Access Hospitals, Psychiatric Hospitals, and State-owned hospitals are exempt from the PPA so must still pay shortfalls associated with CON commitments. If an administrative hearing has been requested to dispute a shortfall pursuant to the provisions of the Administrative Procedure Act. O.C.G.A. § 50-13-1 et seq., information will be provided at <https://dch.georgia.gov/meetings-notices> as it becomes available.

Such requests will be accepted only on the Department's form with the required filing fee of \$250.00. Note: Requests for confirmation of the exemptions for a single specialty ambulatory surgical center or a joint venture ambulatory surgical center below the threshold require a \$250.00 filing fee.

Requirements for Verification of Lawful Presence within the United States

The Department will no longer require information relating to this topic for Certificate of Need applications.

Periodic Reporting Requirements

From June 1, 2016 until September 15, 2016, the Department, through the Office of Health Planning, permitted facilities an opportunity to complete outstanding surveys in order to become compliant. Facilities not in compliance after the September deadline received a Notification of Deficiencies which included details regarding the outstanding surveys, where surveys could be completed, and contact information for the Department. To confirm whether your facility has an outstanding survey please contact Steve Cappel, Data Manager, at steve.cappel@dch.ga.gov. To complete a survey, please visit www.georgiahealthdata.info.

CON Thresholds become effective annually on July 1. The current and effective thresholds can be found on the CON Thresholds page: <http://dch.georgia.gov/con-thresholds>.

Special Note

The [Letters of Intent](#) section of the Tracking and Appeals Report provides the date on which the CON Application must be submitted for each potential project. If the CON application is not received on that date, the associated Letter of Intent is considered expired.

Please do not submit Letters of Opposition or Letters of Support prior to the Department's receipt of an actual Certificate of Need application.

DET Review

Pursuant to the Department's adoption of the Facility Guidelines Institute 2018 physical plant updates on April 15, 2018, effective August 1, 2018, the Office of Health Planning will no longer engage in the review or issuance of letters of determination regarding the applicability of the CON laws to those freestanding facilities seeking to perform procedures outside of either an operating room environment or a dedicated non-sterile endoscopy room as they categorically do not meet the definition of a reviewable ambulatory surgical or obstetrical facility.
